

Mannheim School District 83's

# Publication/Photo Release Consent

Students who attend school in Mannheim District 83 are occasionally invited to be a part of district or school publications. In order to help protect student privacy and authorize a student to participate, Mannheim District 83 asks that this form be signed and returned to the school for each of your children.

The information referenced below indicates approval for a student's picture, art, written work, voice, and/or portraits (video or still) to appear in district or school publications, instructional activities and videos. For example, pictures and articles with names about school activities and classes may appear in student-produced publications such as a multimedia yearbook or school newspaper.

Please note that photos of students or copies of their schoolwork such as art projects or class stories will not be placed on the school or district Web site without a signed Web Release Consent from you, the parent or guardian.

**I consent to let Mannheim School District 83 use my child's picture, artwork, written work, voice, and portraits (video or still) as described above.**

**Please note, Mannheim School District 83 has no control of media use of pictures/statements, which are taken without permission or unauthorized use of any media by others.**

**I do not agree to let Mannheim School District 83 use my child's picture, artwork, written work, voice, and portraits (video or still) as described above.**

**My child shall remind school personnel of this denial of authorization and will refrain from participating in group or individual photos and activities described above.**
